

Conjure massive prizes with our magical slot game, Wild Sorcery.

Players can experience the enchanted title on a 5x3 grid packed full of spellbinding symbols including potions, spell books and a wealth of other wonders from the world of wizardry.

Free Spins are triggered when three wilds appear, with players able to choose the number of spins and the multiplier to give them control of their winnings.

If you wish to master the dark arts, come and play this spellbinder.

3x scattered free spins symbols trigger Free Games. The player then has the option to select the number of spins and win multipliers during Free Games. During Free Games each Wild symbol multiplies the total win of that spin by the player's selection and awards an extra Free Game.

Free Games can be retriggered with 3 scattered free game symbols and the initial amount of free spins the player chose are added to the remaining Free Games.
