

# KENO RUSH

## KENO RUSH

Test your ability to guess right in OneTouch's latest release, Keno Rush.

The latest title brings the classic Keno game into the 21st century, with enchanting audio-visuals, designed to increase player engagement.

For more daring players, the game offers four risk levels - Classic, Low, Mid and High. Your bravery will be rewarded appropriately, as each level provides a different win multiplier.

GAME TYPE  
VIDEO SLOT

| SESSION VOLATILITY | GRID | WAYS    | MAXIMUM EXPOSURE | RTP    | FULLSIZE |
|--------------------|------|---------|------------------|--------|----------|
| High               | 6x7  | 117 649 | over 10 000      | 96.26% | 14.0 MB  |

Players are presented with 40 numbers, they must ascertain which 10 numbers will be drawn by the computer.

Participants can select up to 10 numbers, while an Auto Pick option lends a helping hand by automatically picking random numbers, should you be unsure which 10 will be lucky.
