

TEEN PATTI

TEEN PATTI

A South Asian classic gains a new addition in OneTouch's latest title, Teen Patti.

The reimaged title now features an against-the-dealer bet, where players face-off against the dealer in a hotly contested poker-themed battle.

Both parties draw three random cards, with the highest set being victorious. The victor is decided in terms of Trail, Pure Sequence, Color or Pair sets.

GAME TYPE

TABLE GAME

	RTP	FULLSIZE
Main bet	94.90%	5.4 MB
Side bet	92.50%	

The game kicks-off with a mandatory Ante bet, then the player decides if they want to place a blind bet for a chance of a bigger payout!

Brace yourself to face an unfamiliar foe and see if you can outdo the dealer.
