

# RAIDEN MEDAL BURST

Raiden Medal Burst will test your combat skills, as you take on the enemy in OneTouch's audacious new release.

The video slot creates a compelling gaming experience with Enemy Craft symbols, Medal symbols and a rare Full Reel Wild symbol intertwined to satisfy the needs of players.

Medal symbols pay as line wins, when Stacked Medal symbols appear on one or more reels, they replace all Enemy Craft symbols - offering players a larger payout.
