

BOMBAY ROULETTE

Bombay Roulette is the first in a new series of branded bespoke table games from OneTouch. This new game was designed to reflect the elegance and style of Bombay which is sure to give players an elevated gaming experience.

Increasing the excitement, the title features a rewarding racetrack betting feature where players can make neighbour bets when wagering, boosting the win probability and offering huge rewards.

The feature includes Tier, Orphelins and Voisins du Zero bets - each option offering unique chip bets and are split differently, giving players a more flexible path towards big wins.

Bombay Roulette also offers auto-play and fast-play, allowing players to quicken their journey towards rewards!
