

# TONATIUH'S LEGACY

Pay tribute to the fourth in a series of sun gods who gives his power to all warriors who offer sacrifices to him. Enter the Aztec domain of **Tōnatiuh Legacy**, a unique temple bound journey with up to 1,125 ways to win!

Distinctive 3x5x5x5x3 reels make up the game where wins are awarded for three or more adjacent symbol combos from left to right with winning blocks being removed and new ones cascading for the respin.

Random Gold High-Paying Symbols can appear in the middle three reels where if they form part of the line win, they will transform into a Wild for the following spin!

The rewards of this fallen king are limitless. On each consecutive win, the Multiplier metre will increase by one with no upper limit for some simple palace sized wins!

Three Scatter symbols will launch the Free Spins feature where you'll be awarded 10 Free Spins! Any Scatters landing during the Bonus Round will award two further spins. The third reel during the Bonus game will contain only Gold Symbols for a royal ransom of Wild possibilities and win lines.

The Multiplier metre in the Bonus game will double in value meaning the multiplier will increase by 2x for each consecutive win!

Whilst the four eras preceding the era of Tōnatiuh each ended by cataclysmic destruction, this foray back through time promises to end only in prosperity.

Welcome to the Mesoamerican myth of Tōnatiuh Legacy!
