

LEGENDS CUP

Will the glory at the full time whistle be yours in OneTouch's **Legends Cup**, a 4x6 reel winner takes all cup final where lifting the trophy could give you up to 250,000 ways to win.

The base game's Reel Expansion feature sees the reels grow by x1 on a winning line. Whilst the resulting win line is removed, cascading reels offer the chance of more wins on the subsequent spin. 4 consecutive cascades result in a massive 8x6 reel set teasing 262,144 ways to win.

4 Scatters will launch the Bonus Game, whereas up to 12 Free Spins will be awarded for 6 Scatters. The feature-filled Bonus Game consists of up to 4x4 gigantic symbols, low-payer elimination when a Wild lands where 10,000x wins can be found. Land more Scatters to retrigger the Bonus Game limitlessly. 80x your bet will be the cost of the Bonus Buy where 4-6 Scatters are randomly awarded.

Big wins are no longer the stuff of dreams. Lace up, hit the pitch and score the winning goal in OneTouch's Legends Cup!
